John Dye Jr is 22 on the 1860 Census living with James & Morning Dye

in McMinn Co TN before the Civil War.

He does not appear to be the same John Dye married to Elizabeth Unknown on

This is like his cousin John son of Thomas

I believe this could be Elizabeth Louisa the German woman.

During the Civil War he enlists with brother Zach in the GA 66th Infantry Co D,
Confederate.

John married Margaret Jordan the Dau of Anderson Jordan and Dorcas Milland
